

Welcome to **Armada Place** Care Community

Discover why this could be your best move yet

At Armada Place Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the picturesque Darling Ranges just 20km from the Perth CBD, our spacious and light filled home has peaceful living spaces to enjoy both inside and out. Our new gardens and pond are popular with residents and offer tranquil places to reflect in the shade or soak up the sunshine. We offer a warm and inclusive home where everyone is welcome and connection is at the heart of our care.

Daily life

When the sun's out you'll see residents putting their green thumbs to work in our elevated gardens, creating beautiful garden beds and nurturing our sustainable vegie patch. Known for our hearty, home-style food, residents enjoy harvesting fresh produce from the garden for our chef to cook up at meal times.

Our diverse mix of cultural heritage is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging among residents.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Armadale Place life – so you can enjoy your day, your way.
