

Welcome to **Ashmore Gardens** Care Community

Discover why this could be your best move yet

At Ashmore Gardens Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the quiet suburb of Ashmore, our residents enjoy the best of both worlds with a leafy, peaceful outlook just 10 minutes from the centre of the vibrant Gold Coast. Our lush tropical gardens can be enjoyed from many vantage points, including direct access from some resident rooms. Our onsite cafe is a hub for community connections and our family support group regularly gathers here.

Daily life

Our care community truly comes to life hosting our annual Ashmore Gardens Night Market, bringing residents, team, family and friends together in a bustling marketplace offering local wares, delicious food and lively entertainment.

We have a thriving community of artists, crafters and a resident choir, while our green thumbs tend our gardens and take pride in nurturing our colourful flower beds.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Ashmore Gardens life – so you can enjoy your day, your way.
