

Welcome to **Blacktown Terrace** Care Community

Discover why this could be your best move yet

At Blacktown Terrace Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our state-of-the-art care home is located in the heart of Sydney's greater west, with easy access to transport, shopping and healthcare amenities. We offer generous accommodation, luxurious living areas, outdoor terraces and an on-site cafe to relax with friends and family. With numerous different countries of origin among our residents and team, our home is a diverse and vibrant community.

Unique to our home is our 'virtual train', an enjoyable interactive experience for residents and families that supports memory, reminiscence and socialisation.

Ageing is living

Experience the Opal HealthCare difference at Blacktown Terrace

Daily life

Music is part of the heart of our home. Our resident choir enjoy practicing and performing together, supported by our experienced music therapist. Art and creativity are popular and our knitting group has become known for contributing hand-knitted bears and rugs to local community charities, while our resident green thumbs nurture our veggie garden and delight in providing fresh greens for eating. We have strong relationships within the local community, including our local early learning centre.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Blacktown Terrace life – so you can enjoy your day, your way.
