Daily life

Our diverse mix of cultural heritage is a point of connection for residents and team, and our social activities recognise culture through food and music. Our large open plan lounge is the hub of our home. Residents include artists, musicians, others who enjoy cooking or gardening, sports enthusiasts and avid readers, so there's someone for everyone to connect with and always plenty to do.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Geraldton Shore life – so you can enjoy your day, your way.
