

Welcome to **Maitland Grange** Care Community

Discover why this could be your best move yet

At Maitland Grange Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Centrally located near Rutherford Marketplace and just minutes from the Maitland town centre, our home offers both serenity and easy access to local amenities. With well-appointed living spaces, manicured gardens and colourful flower beds to enjoy, there are ample spaces to spend time with family and friends. Our Care Community provides a safe and inclusive environment for residents who are living with dementia. We're known for our country-style hospitality and our companion model of care fosters a sense of family and belonging among residents.
