

Welcome to **Mandurah Coast** Care Community

Discover why this could be your best move yet

At Mandurah Coast Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the coastal town of Mandurah, our light-filled home is conveniently located to take in the amenities of the regional centre. Set amongst towering trees providing a leafy outlook from most vantage points, our Care Community has many peaceful areas inside and out perfect for catching up with family and friends. Our memory care neighbourhood provides a safe and inclusive environment for residents who are living with dementia.

Daily life

Residents with a green thumb enjoy tending our elevated garden beds, with the fresh food produce going straight to our chef to cook up in delicious hearty meals. Others who like creative pursuits enjoy playing the piano, listening to music new and old, arts and craft or painting project to brighten our hallways.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Mandurah Coast life – so you can enjoy your day, your way.
