

Welcome to **Narraweena Grove** Care Community

Discover why this could be your best move yet

At Narraweena Grove Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located at the gateway to Sydney's Northern beaches, with Dee Why beach and the Northern Beaches Hospital within a 10-minute drive, and easy access to local bus routes. We're a family-oriented home with community at the heart of our care. Our well-appointed indoor and outdoor living spaces provide ideal places to spend time with family and friends or enjoy moments of quiet reflection. Our memory care neighbourhood provides a safe, inclusive and supportive environment for residents who are living with dementia.

Daily life

We have an active social life, with residents running their own Narraweena General Store, selling treats, magazines and beverages. Our ice cream cart is a hit on a hot day, and our gardens are popular for growing herbs, flowers and potted plants. We enjoy close community ties, including great friendships with children from the local kindergarten, and residents stay active through exercise classes and helping with jobs around our home.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Narraweena Grove life – so you can enjoy your day, your way.
