

Welcome to **Paynesville Gardens** Care Community

Discover why this could be your best move yet

At Paynesville Gardens Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Our Care Community is located in the beautiful Gippsland Lakes region surrounded by waterways and parklands, with all the amenities of a regional town just minutes away. Nestled among sprawling landscaped gardens and courtyards, we offer expert care and warm, country-style hospitality. Our Care Community has well-appointed indoor and outdoor living spaces, with an indoor hydrotherapy pool, bar and hair dressing salon, supporting a lively and meaningful lifestyle. Our memory care neighbourhood provides a safe and inclusive environment for residents who are living with dementia

Daily life

Our Care Community is a music lover's delight, with residents either playing instruments or enjoying listening to tunes new and old. Our pool table is the scene of friendly competition particularly among our men's group, and our gardens are a haven for residents who enjoy putting their green thumbs to work. We encourage our residents to pursue their interests be it painting or art therapy, or enjoying Virtual or Augmented Reality experiences that support cognition and reminiscence.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Paynesville Gardens life – so you can enjoy your day, your way
