Discover why this could be your best move yet

At Treeby Parklands Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located opposite Calleya Park in Treeby, our home has been designed to foster a sense of community with our spacious living areas and landscaped tranquil gardens, ideal for catching up with family and friends. Residents can choose to stay active at our onsite wellness centre, where a team of physiotherapists, exercise physiologists and occupational therapists support residents to achieve improved mobility, independence or overall wellbeing.

Our pet-friendly 'Paws Café' serves barista style coffee and delicious meals and snacks, and is a popular destination for our home and community.
