

Welcome to **Warrnambool Place** Care Community

Discover why this could be your best move yet

At Warrnambool Place Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located on the western fringe of the beautiful Great Ocean Road, our Care Community is a happy and loving place for people from all walks of life. Residents enjoy spending time with friends and family in our sensory gardens, which are ideal for socializing, relaxing or putting green thumbs to work. We have strong ties to the local community, with many residents being longtime locals in the region.

With expansive gardens on our doorstep, spending time outdoors enjoying our gardens and nature is part of the rhythm of our home. Animals are always welcome and residents find delight and companionship in pet therapy. We encourage active engagement with the Warrnambool community. Our diverse mix of cultural heritage is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging among residents.
