

Welcome to **Burpengary Gardens** Care Community

Discover why this could be your best move yet

At Burpengary Gardens Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located 45 minutes north of Brisbane, our home is set in the heart of the Moreton Bay region. Nestled among lush tropical gardens and courtyards, we have an abundance of outdoor space for exercising, socialising with family and friends or enjoying quiet moments of reflection. Our home is warm and inclusive, with strong ties to the local community. Our residents come from diverse cultural backgrounds which serves as a point of connection for residents and team.

Daily life

We encourage our residents to pursue their interests whether it be art, craft, engaging in music, or participating in Virtual or Augmented Reality experiences that support cognition and reminiscence. Our men's group enjoy friendly competition around our alfresco pool table and our indoor mini golf course. Residents like to keep active tending to our gardens with plenty of shaded areas to spend time outdoors.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Burpengary Gardens life – so you can enjoy your day, your way.
