

Welcome to **Orange Grove** Care Community

Discover why this could be your best move yet

At Orange Grove Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little details about how you like to live each day is important to us – so that we can help you feel at home, have the right support and live your best life in our care.

Located in the thriving NSW Central West city of Orange, our Care Community is nestled in a quiet residential street with easy access to shops, cafes and amenities. We are a family-oriented community, and our home combines country charm with modern technology and a welcoming atmosphere.

Loved ones enjoy celebrating milestones large and small in our private dining room, and our spacious courtyards and landscaped gardens are ideal for socialising over a cup of tea or enjoying quiet moments of reflection. Our memory care neighbourhood provides a safe and inclusive environment for residents who are living with dementia

Daily life

Our Men's Shed offers activities and companionship for our male residents who enjoy hands-on construction projects which support our local community. Listening to music, playing cards, crafting and connecting with children in our local play group are just some of the things that bring our residents joy. We encourage residents to pursue their interests be it music or art therapy, or Virtual or Augmented Reality experiences that support cognition and reminiscence.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate in Orange Grove life – so you can enjoy your day, your way.
