Discover why this could be your best move yet

At Waverley Valley Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

With the peaceful Glen Waverley North Reserve on our doorstep, our Care Community offers a welcoming and loving environment. Enjoy walks in the park and outings to nearby restaurants and shops including The Glen Shopping Centre.

Waverley Valley Care Community offers landscaped gardens and tranquil outdoor areas, perfect for those who love nature and enjoy spending time in the fresh air. In this serene atmosphere, we offer a variety of engaging activities, including exercise groups, outings or creative pursuits such as singing, music, arts and crafts. Our team takes the time to understand what matters most to you, enabling you to live your best life in care.

With us, every day is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to **bring joy to those we care for.**
