

Welcome to **Caloundra Place** Care Community

Discover why this could be your best move yet

At Caloundra Place Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located on a quiet residential street bordering Caloundra Golf Club, our Care Community is well-positioned to enjoy the best that the beautiful Sunshine Coast has to offer. We're well known in the region for how we support residents living with complex needs. Our chef creates fresh, hearty meals, including texture modified food that looks appealing and tastes delicious.

Our diverse mix of cultural heritage is a point of connection for residents, and our support group for family and friends, *The Friendship Circle*, is part of the heart of Caloundra Place.

Daily life

Our Care Community is a warm and loving place for people from all walks of life. Our team focus on getting to know each resident deeply so that we can meet your unique needs and support the activities and interests you enjoy. Our community partners bring pets to visits and we are one of the few Care Communities in the area that caters for smokers.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
