

Welcome to **Croydon Grove** Care Community

Discover why this could be your best move yet

At Croydon Grove Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in the leafy suburb of Croydon, our residents enjoy the best of both worlds with peaceful views of the Dandenong Ranges and Yarra Valley, in a vibrant community just 40 minutes from Melbourne's CBD.

We have strong ties to the local community and our retirement village neighbours are part of our extended family, often joining in activities together. Our residents enjoy all kinds of creative pursuits, keeping active with walking groups in the 35 acres of native gardens, with welcoming spaces for social gatherings and catch ups with family and friends.

Daily life

Our residents enjoy access to their own gardens, keeping green thumbs busy year-round.

We encourage a meaningful lifestyle with walking groups, a men's group, and creative pursuits such as singing, music, arts and crafts.

Our 35 acres of native gardens are a source of pleasure for many to stay active, take a stroll or simply enjoy a moment of reflection.

With us, you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
