

# Welcome to **Wantirna Views** Care Community

## Discover why this could be your best move yet

At Wantirna Views Care Community we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Taking in views of the beautiful Dandenong Ranges, our Care Community offers a warm and inclusive environment for everyone. We're located in a quiet street adjacent to the Salford Park retirement village, with easy access to local shops and amenities. Known for our active community connections, we have a thriving volunteer group who are part of the heart of our Care Community, providing friendship and support to our residents.

Our spacious living areas are well-appointed and our gardens and courtyards offer sunny and shaded areas to spend time with family or enjoy moments of quiet reflection.

## Daily life

Our creative residents enjoy making art and craft or listening to music. We have many keen gardeners who keep their green thumbs busy tending to our elevated vegetable and herb gardens.

We encourage residents to keep up connections within the community and our neighbours at the retirement village are regular visitors. Pets are warmly welcomed and residents delight in their companionship.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
