Care Community

Discover why this could be your best move yet

At Kanwal Springs Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled in the idyllic Central Coast hinterland, our Care Community offers a serene environment where you can feel at home. Kanwal Springs is surrounded by lush greenery and open spaces, with easy access to local parks, waterways, and nature reserves, perfect for enjoying time with family and friends.

Our Care Community is a welcoming and inclusive place where you're supported to engage in the things you enjoy. Bring your green thumbs and spend time in our outdoor gardens or enjoy a cuppa with friends at our lively cafe. And there are plenty of quiet corners to relax with a good book.

Kanwal Springs has been architecturally designed with your comfort in mind. We have an abundance of living and dining areas, along with a versatile function room ideal for private family meals or to celebrate special occasions with loved ones.

We support you to continue your hobbies, and develop connections and friendships with others who share similar interests.

Kanwal Springs Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
