

# Welcome to **Kawana Waters** Care Community

## **Discover why this could be your best move yet**

At Kawana Waters Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Our beautifully appointed, modern Care Community is located in the heart of the Sunshine Coast, with the amenities of the Oceanside Health Hub close by. Our lakeside setting, landscaped gardens and terraced balconies offer spacious and light-filled indoor and outdoor spaces to share with family and friends. With an excellent reputation for clinical care, we're sought after by families with specific care needs for loved ones, and student nurses seeking training placements with our registered nurses and care teams.

## Daily life

We're an active and sociable Care Community, where there's always plenty to do. Fishing is a popular pastime for residents, as are daily walks, cooking and tending to our herb gardens. Our outdoor BBQ is a welcoming hub where we gather for lunch, high tea or happy hour. We enjoy close ties with our local community, with residents making woodwork toys for local kindergartens.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
