Discover why this could be your best move yet

At Lakes Entrance Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in the picturesque East Gippsland region, our warm and welcoming Care Community enjoys the best the coast has to offer within easy reach of waterways, shops, cafes and regional amenities.

Our well-appointed Care Community, with access to beautiful country gardens, external courtyards and patios offer spacious indoor and outdoor living areas, ideal for spending time with loved ones or enjoying the tranquility of our water fountain. We're animal-friendly and many residents' pets call our Care Community home.

Daily life

Be it daily walks through our quaint gardens, or friendly competition at the pool table, our residents enjoy being active and social. Our keen gardeners enjoy tending plants and growing herbs, and pets make wonderful companions who bring our residents comfort and joy. Our bar is popular at happy hour and musical entertainment is always popular.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
