

Welcome to **Maitland Grange** Care Community

Discover why this could be your best move yet

At Maitland Grange Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Centrally located near Rutherford Marketplace and just minutes from the Maitland town centre, our Care Community offers serenity and easy access to local amenities. With well-appointed living spaces, manicured gardens and colourful flower beds to enjoy, there are ample spaces to spend time with family and friends. We provide a safe and inclusive environment for residents who are living with dementia and are known for our country-style hospitality. Our companion model of care fosters a sense of family and belonging among residents.

Daily life

Friends, family and our volunteers regularly bring animals of all shapes and sizes to visit, and we have close ties with local school and childcare groups where friendships are nurtured and laughter shared.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
