

Welcome to **Morayfield Grove** Care Community

Discover why this could be your best move yet

At Morayfield Grove Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Conveniently located a short distance from Morayfield Shopping Centre and 50 minutes north of Brisbane CBD, our Care Community is a warm and welcoming place for people from all walks of life. With well-appointed indoor and outdoor living spaces throughout, there are plenty of spots to spend time with family or enjoy quiet moments of reflection. Our private dining room is popular with loved ones for celebrating milestones big and small. Our Memory Care Neighbourhood provides a safe and inclusive environment for residents who are living with dementia.

Daily life

Our active men's and women's groups participate in a range of social activities, and our darts alley and extensive board game collection often see friendly competition. Our residents enjoy spending time in our gardens and tending to our aviary. Music is a popular pastime, whether playing music, singing or listening to tunes new and old.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
