

Welcome to **Mornington Bay** Care Community

Discover why this could be your best move yet

At Mornington Bay Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Our Care Community is in Mt Martha on the picturesque Mornington Peninsula, close to all the amenities of our thriving regional town. We're a warm and family-oriented Care Community, with expert care complemented by country-style hospitality. Our light-filled residence is well-appointed, with spacious indoor and outdoor living areas and an abundant fish pond. We're pet-friendly and love our resident dogs. Most of our spacious bedrooms have a garden or courtyard view, and some have a kitchenette to enable independence.

Daily life

Our residents enjoy socialising around our bar during our daily happy hour and live entertainment is a regular event. Many residents participate in a letter writing program with local primary schools, which nurtures friendships. Movie nights are popular and our annual dog show has become a highlight of the year, with dogs of all shapes and sizes competing for prizes.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
