

Welcome to **Murwillumbah Greens** Care Community

Discover why this could be your best move yet

At Murwillumbah Greens Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Our Care Community is located in the lush green surrounds of the beautiful Tweed Valley, opposite the golf club and next door to a retirement village. Set among expansive tropical gardens and a shaded courtyard, our well-appointed Care Community offers an indoor and outdoor lifestyle ideal for our climate.

There are plenty of welcoming spaces to spend time with family and friends or enjoy quiet moments of reflection. Our residents come from all over the region which is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging.

Daily life

Our greenery and gardens are a feature of our Care Community and provide opportunities for residents to put their green thumbs to work. Collect eggs from our hen house, admire our plants or stroll around our garden. We have strong ties with our local TAFE and our resident artists, crafters and musicians love pursuing their hobbies. Our chef is known for cooking up the fresh produce we grow in delicious, country-style meals.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
