

Welcome to **Narrandera Homestead** Care Community

Discover why this could be your best move yet

At Narrandera Homestead Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Our Care Community is located in the heart of the Riverina, with local cafes and amenities close at hand and within an hour's drive of the regional centre of Wagga Wagga. Well known in the area for our expert care and country hospitality, our homelike living areas and shaded courtyards are ideal for spending time with loved ones or enjoying peaceful reflection. We have close ties with Narrandera TAFE and residents volunteer in the local op shop. Many residents have known one another for generations and our companion model of care encourages a sense of family and belonging.

Daily life

We have a vibrant social life with active men's and ladies' groups who love catching up for a yarn over tea and our chef's famous scones. Our keen gardeners enjoy putting their green thumbs to work and our music lovers often have tunes playing. We're big on sustainability and are known for creativity, making art, woodwork and all kinds of crafts out of repurposed goods which we display or donate to charity.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
