

Welcome to **Raymond Terrace Gardens** Care Community

Discover why this could be your best move yet

At Raymond Terrace Gardens Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located on the Hunter River just north of Newcastle, our Care Community is nestled amongst lush tropical gardens with colourful flower beds. Local parklands are minutes away, and all the amenities of our regional town are within easy access. Our spacious indoor and outdoor living areas are ideal for spending time with family and friends or enjoying quiet moments of reflection. We have a Memory Care Neighbourhood for residents living with dementia and we're known for our expert care and warm, country-style hospitality.

Ageing is living

Daily life

Our Care Community is a haven for garden lovers. Our resident green thumbs enjoy keeping our raised flower beds colourful and healthy all year round. BBQs are a popular social event in our alfresco dining area, and our music enthusiasts enjoy sharing their talents by playing instruments or listening to tunes new and old.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
