

Welcome to **Stanmore Place** Care Community

Discover why this could be your best move yet

At Stanmore Place Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in a quiet residential area in Sydney's Inner West, our Care Community is just 5km from the CBD and close to public transport. Our sheltered courtyard is a cosy place to catch up with family and friends or enjoy moments of quiet reflection. Our diverse mix of cultural heritage is a point of connection for residents and team, and our companion model of care fosters a sense of family and belonging so that everyone feels at home.

Daily life

Our Care Community is a close-knit and loving place for people from all walks of life. Our musical residents love playing the piano, singing or simply listening to tunes old and new. Our Care Community provides opportunities for friendships to grow, with residents bonding over gardening, board games or conversations over a coffee or beer. Our chef is known for cooking up delicious meals that satisfy all tastes.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
