

Welcome to **Treeby Parklands** Care Community

Discover why this could be your best move yet

At Treeby Parklands Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located opposite Calleya Park in Treeby, our Care Community has been designed to foster a sense of community. Our spacious living areas and landscaped tranquil gardens are ideal for catching up with family and friends. Residents can choose to stay active at our onsite Wellness Centre, where a team of physiotherapists, exercise physiologists and occupational therapists support residents to achieve improved mobility, independence or overall wellbeing.

Our pet-friendly 'Paws Café' serves barista-style coffee and delicious meals and snacks, and is a popular destination for our community.

Daily life

Our residents can join in the many activities in our Care Community including; our walking group, knitting club, gardening, music, or taking on a project in our popular Men's Shed. We're well-connected with our local community and our retirement village neighbours join us regularly for a BBQ or morning tea.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
