

Welcome to **Varsity Views** Care Community

Discover why this could be your best move yet

At Varsity Views Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in the heart of the vibrant Gold Coast, our Care Community is close to beautiful lakefront walks and local amenities, with the Gold Coast Hospital 15 minutes away. With spacious living areas and tropical gardens and courtyards, there are plenty of spaces to relax with family and friends or enjoy quiet moments of reflection. Our in-house café, The Hub, is a popular place to socialise and enjoy a coffee or tea and cake.

Daily life

Our vegie garden is popular among our resident green thumbs who enjoy planting and eating their produce. Others stay active through our group exercise and wellness program, and we have a robust calendar of activity involving our friends from the local primary, high school and university campuses. We enjoy visits from the local mobile petting zoo and hosting entertainers who perform in our courtyard, which residents can enjoy either sitting outside or watching from their balconies.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
