

Welcome to **Warrandyte Gardens** Care Community

Discover why this could be your best move yet

At Warrandyte Gardens Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located at the foot of the Yarra Ranges between Warrandyte and Ringwood, our gracious Care Community retains its original façade with wraparound verandahs, leadlight windows and a modern extension with well-appointed lounge, dining and living spaces. With a dedicated Wellness Centre, and a Memory Care Neighbourhood offering a safe and inclusive environment for residents living with dementia, the health and wellbeing of our residents is at the heart of our care.

Daily life

We're known as much for our spectacular rose gardens, which delight residents and families and keep our green thumbs busy year-round, as much as we are for our love of music. Our resident choir has been running for years and gets involved in everything from performing songs to playing music and musical bingo. Residents participate in daily walks, arts, craft and some enjoy building wooden wildlife boxes to donate to community organisations.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
