

Welcome to **Warrnambool Place** Care Community

Discover why this could be your best move yet

At Warrnambool Place Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located on the western fringe of the beautiful Great Ocean Road, our Care Community is a happy and loving place for people from all walks of life. Residents enjoy spending time with friends and family in our sensory gardens, which are ideal for socialising, relaxing or putting green thumbs to work. We have strong ties to the local community, with many residents being longtime locals in the region.
