

# Welcome to **Warrnambool Riverside** Care Community

## **Discover why this could be your best move yet**

At Warrnambool Riverside Care Community, we encourage our residents to live a life of meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support and live your best life in our care.

Located in coastal Victoria, our Care Community is a warm and inclusive community set in tranquil gardens where everyone is welcome and connection is at the heart of our care. We're well-positioned near the Hopkins River, local beaches and bays, with hospitals and local bus routes within easy distance. Our Care Community features peaceful and beautifully appointed living spaces, both inside and out, to enjoy time with family and friends.

## Daily life

Community partners and families regularly bring animals of all shapes and sizes to visit, providing comfort and companionship for residents. We have many gardening enthusiasts who tend to our plants and gardens, and for those who are music-lovers, we encourage music and song around our grand piano. Our residents enjoy staying active and there's always time for a friendly game of cards.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.
