Care Community

Discover why this could be your best move yet

At Brighton Shore Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Brighton Shore is a warm and welcoming Care Community that has been a thriving part of the Brighton community for many years. Close to public transport and the bustling Bay Street shopping strip, we're located within easy reach of local reserves, amenities and Brighton Beach.

We offer the rare combination of apartment-style bedrooms with lounge, kitchenette and private courtyard, as well as one and two-bedroom apartment villas.

Our delightful, landscaped courtyards include barbeque facilities and are ideal for outdoor dining. Indoors, we have spacious lounges and activity areas, so you can enjoy relaxing days at your own pace.

We support you to develop connections and friendships with others who share similar interests.

Brighton Shore Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
