

Welcome to

**Chelsea
Manor**
Care Community

Discover why this could be your best move yet

At Chelsea Manor Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Set among manicured private gardens in the heart of leafy Chelsea, our Care Community is located close to Bicentennial Park, the neighbouring Chelsea Reserve and local shops.

Our building is a tribute to neoclassic design with stained glass windows flanking the front door, a vintage style chandelier, vaulted ceilings and an atrium with a water feature in our foyer.

Enjoy our relaxing living spaces and landscaped private courtyards. Invite your loved ones to join you in our main lounge – the ideal place to relax and socialise with comfortable armchairs, fireplace and a piano.

At Chelsea Manor you can enjoy barista-style coffee in our Café or participate in social and creative activities that you enjoy.

With us, every day is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for*.
