Care Community

Discover why this could be your best move yet

At Chelsea Parkside Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in Chelsea with Bicentennial Park at our doorstep, our Care Community is surrounded by lush greenery. With two main wings, each featuring light-filled lounge and dining rooms, Chelsea Parkside has been designed to encourage connection, belonging and community.

Our landscaped gardens and large central courtyard with a gazebo, offer plenty of space to relax in the sunshine or shade, enjoy barbecues, or spend time with other residents and visitors.

To the east, you'll find the walking paths of Bicentennial Park and the wetlands, with great opportunities for bird watching. Our tranquil setting makes Chelsea Parkside a charming and comfortable place to call home.

With us, every day is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

It's an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
