Care Community

Discover why this could be your best move yet

At Cheltenham Parkside Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Our Care Community is a short distance from local clubs, amenities and shopping precincts such as DFO Moorabbin and Westfield Southland.

Homely and inviting, we offer spacious and comfortable indoor and outdoor spaces for residents to enjoy. Our residential wings wrap around a sunny courtyard complete with a fountain, barbeque, pergola and manicured gardens. Indoors, our warmly lit dining room leads into a cosy main lounge, featuring beautiful furnishings, chandeliers and a warming fireplace.

With us, everyday is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

Cheltenham Parkside Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
