Care Community

Discover why this could be your best move yet

At Mooroolbark Manor Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Set in the hills of suburban Mooroolbark, our Care Community offers sweeping views of the Dandenong Ranges to the east, with bustling Croydon and Bayswater nearby.

Mooroolbark Manor's elegant interiors reflect the graceful lines of early 20th century design, with a grand chandelier and tall ceilings in our front entrance, and crown mouldings, soft hues and 1930s inspired art throughout.

The centrepiece of our Care Community is our expansive main lounge where you can relax in an armchair with friends, watch your favourite shows, enjoy activities, or settle in by the warmth of our gas log fire.

We support you to develop connections and friendships with others who share similar interests.

Mooroolbark Manor Care Community is an environment where you're free to enjoy doing things that are meaningful to you, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
