Discover why this could be your best move yet

At Mordialloc Grove Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled in the idyllic bayside suburb of Mordialloc, our Care Community offers a serene environment where you can feel at home. Located next to the Woodlands Golf Course, Mordialloc Grove is surrounded by lush greenery and landscaped gardens. Our outdoor entertaining and barbeque area is a relaxing place to enjoy time with loved ones.

Our Care Community has been architecturally designed with your comfort in mind. With our sun-filled lounges and private sitting areas, there's plenty of space to call your own and enjoy life at your own pace.

With us, everyday is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

Mordialloc Grove Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
