Care Community

Discover why this could be your best move yet

At Mount Waverley Glades Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled among five acres of natural bushland, Mount Waverley Glades is a charming Care Community set within a quiet enclave in Mount Waverley.

There's plenty of opportunity to embrace the outdoors, with walking paths on our doorstep and a meandering creek to enjoy, either while going for a stroll or from our spacious outdoor terraces.

Mount Waverley Glades is conveniently located close to public transport, the Glen Waverley and Chadstone shopping precincts, local RSL, bowling club and the biodiverse corridor of the Valley Reserve. With a newly renovated reception, lounge area and cafe, we offer contemporary living with all the comforts of home.

We support you to develop connections and friendships with others who share similar interests.

Mount Waverley Glades Care Community is an environment where you're free to enjoy doing things that are meaningful to you, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
