Care Community

Discover why this could be your best move yet

At Phillip Island Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in the picturesque township of Cowes on Phillip Island in Gippsland, our Care Community offers an idyllic lifestyle. With north-facing bay beaches, rockpools and a beautiful jetty a short distance away, you can enjoy the sea breeze and open spaces with family and friends.

Luxurious, warm and welcoming, our Care Community features landscaped gardens and relaxing outdoor entertaining areas. Head to our café for a cuppa or pamper yourself at our hair and beauty salon – all located conveniently on site.

Phillip Island Care Community features a newly renovated Memory Care Neighbourhood (MCN). This is a purpose-built, thoughtfully crafted environment with bedrooms with private ensuites, outdoor garden spaces, and dining and lounge areas, where people living with dementia can feel safe, secure and have the supports they need to live well.

With us, every day is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

Phillip Island Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
