Care Community

Discover why this could be your best move yet

At Sandringham Grove Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled on a peaceful street just two kilometres from Westfield Southland, Sandringham Grove Care Community offers a light-filled contemporary environment, with the added convenience of public transport, shops and amenities at our doorstep.

Our Care Community is a welcoming and inclusive place where you're supported to engage in the things you enjoy. Our popular café with sweeping 180-degree views over our beautiful gardens is an ideal spot for residents and loved ones to enjoy, while quiet corners offer spaces to relax with a good book.

With a unique circular design, Sandringham Grove features small neighbourhoods over two levels. Each with a living room, lounge area, dining room and access to outdoor gardens or terraces, giving residents a feeling of community and a sense of home.

With us, everyday is a new opportunity to develop connections and friendships through engaging interests that have meaning for you.

Sandringham Grove Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for*.
