Care Community

Discover why this could be your best move yet

At Surrey Hills Gardens Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Set on one and a half acres of landscaped gardens in Surrey Hills, 11km east of Melbourne's CBD, our Care Community offers a cosmopolitan lifestyle with all the comforts of home.

With gracious exteriors and well-appointed interiors, the centrepiece of Surrey Hills Gardens is our spacious piano lounge, a popular place to enjoy music, socialising or quiet time.

We have open plan lounges and dining rooms on each level, and a private dining room for special occasions. If you love the outdoors, you can enjoy our landscaped courtyards, terraces, balconies and gardens, designed to help you connect with nature.

We support you to develop connections and friendships with others who share similar interests.

Surrey Hills Gardens Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
