Care Community

Discover why this could be your best move yet

At Avondale Heights Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled in peaceful Avondale Heights, our Care Community offers a warm and welcoming environment that feels like home.

Stepping into our Care Community, you're greeted by our spacious main lounge which serves as both a social hub and a sanctuary for residents and their families. Featuring a piano and a cosy fireplace, our lounge opens to a colourful courtyard where we have barbeques in the warmer months.

Relax in our well-appointed sitting room, enjoy a good book, or engage in a friendly card game with fellow residents. At Avondale Heights Care Community, every detail has been carefully considered to ensure a comfortable and connected lifestyle for our residents.

Our caring and capable team are always on hand. We support you to develop connections and friendships with others who share similar interests, and friends and family are always welcome.

Avondale Heights Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for*.
