

Welcome to

Caboolture Parklands Care Community

Discover why this could be your best move yet

At Caboolture Parklands Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in Caboolture, 50 minutes' drive north of Brisbane, our Care Community offers a warm and welcoming environment where you can feel at home. Overlooking lush bushland, we're situated close to Centenary Lakes Park and the Caboolture River.

Designed to balance privacy and accessibility, our contemporary buildings include spacious single bedrooms with ensuites opening onto balconies or courtyard gardens.

Our barbecue area and landscaped outdoor spaces are ideal for spending time with loved ones, making every day an opportunity to connect and socialise.

We support you to develop connections and friendships with others who share similar interests, and friends and family are always welcome.

Caboolture Parklands Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
