Care Community

Welcome to Croydon Grove Care Community

Nestled among majestic pine trees with sweeping views across Croydon to the Dandenong Ranges, Croydon Grove Care Community offers a warm, welcoming environment nurtured by our dedicated team, providing high-quality and personalised care.

Our custom-designed Care Community accommodates 128 residents over three levels. Each bedroom features a private ensuite and most have a balcony or terrace to enjoy the outdoors from the convenience of your own room.

Our town centre is the heart of Croydon Grove, designed with an indoor-outdoor flow, opening onto our lawn bowls green and barbeque area. Our hairdressing salon is popular for pampering so you can look and feel your best.

Our physio-led Wellness Centre offers fee-for-service exercise and rehabilitation programs that complement and enhance basic care requirements for residents. Pop in for a chat to discuss your goals with our friendly team.

Enjoy barista-style coffee and freshly baked treats at our Rolling Jack Café, a daily ritual for residents who love a cuppa and a chat.

We provide high-quality residential aged care services, including permanent, respite and dementia care, delivered by our experienced and compassionate team. With personalised support tailored to each resident's needs and preferences, our focus is on enabling every resident to live their best life.

Conveniently located next door to Mingarra Retirement Living, Croydon Grove enables older people to continue to live well in their local area, maintaining social connections and with the right care at hand 24/7.
