Care Community

Discover why this could be your best move yet

At Box Hill Views Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Sophisticated, warm and inviting, Box Hill Views Care Community is located close to public transport, the local library, Box Hill hospital, and the bustling Box Hill Central shopping centre.

Taking home the Innovation Award at the 2019 City of Whitehorse Built Environment Awards, our Care Community combines high quality care with custom-designed contemporary living.

Soak up the sunshine in one of our many outdoor courtyards or spend time with family and friends in our lounge and sitting areas – all of which have delightful views of our landscaped gardens or the local environs.

Box Hill Views offers open-plan resident kitchens for those who enjoy cooking, and our state-of-the-art memory care neighbourhood is custom-designed for people living with dementia.

Along with excellent clinical care, we support you to develop connections and friendships with others who share similar interests.

Box Hill Views Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
