Care Community

Discover why this could be your best move yet

At Camberwell Gables Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in the heart of leafy Camberwell, our Care Community is built in the Tudor-style, offering an elegant and classical living environment.

Camberwell Gables features a range of spacious communal lounges and cosy sitting areas where you can enjoy pursuing your interests. Have a cuppa with friends at our onsite cafe, enjoy a book at our well-stocked library, or exercise your mind and body in our exercise studio.

Our landscaped courtyard gardens are an ideal place to spend time outdoors, and we have plenty of shaded areas to enjoy an alfresco meal prepared on our barbeque in the warmer months.

We support you to develop connections and friendships with others who share similar interests.

Camberwell Gables Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to bring joy to those we care for.
