

Welcome to

Caulfield Horizons Care Community

Discover why this could be your best move yet

At Caulfield Horizons Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Caulfield Horizons Care Community is nestled in the heart of Caulfield North and known for our warm and welcoming environment.

Our contemporary building wraps around a sun-filled central courtyard, offering plenty of opportunity to enjoy the outdoors and spend time in our terraced gardens.

Caulfield Horizons offers unique, boutique-style accommodation with all the services and amenities of a larger Care Community, including our onsite cafe, well-stocked library, and hairdressing salon. With well-appointed interiors, modern furnishings and a laid-back atmosphere, it's a lovely place to call home.

Relax in our lounge in front of the fireplace, enjoy a book or socialise with residents and friends. We also offer a private dining room for special occasions and meals with loved ones.

We support you to develop connections and friendships with others who share similar interests.

Caulfield Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
