Care Community

Discover why this could be your best move yet

At Croydon Place Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Offering cosy, homestead-style living, Croydon Place is a peaceful Care Community located near Dorset Road in Croydon.

Our comfortable interiors and airy outdoor spaces have a warm and friendly family atmosphere that truly feels like home.

Well-appointed living areas open up to leafy internal courtyards, giving you easy access to the outdoors, ideal for getting some exercise, spending time with loved ones or simply taking in the sunshine.

Our dining room is a lovely place to enjoy meals. Our activities areas are thriving and there's plenty of quiet nooks to enjoy a good book or have a cuppa with family and friends.

We support you to develop connections and friendships with others who share similar interests.

Croydon Place Care Community is an environment where you're free to enjoy doing things that are meaningful to you, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to bring joy to those we care for.
