Care Community

Discover why this could be your best move yet

At Glenroy Terrace Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Located in the heart of Glenroy, our vibrant Care Community reflects the rich cultural diversity of our local neighbourhood.

Our multi-level building features modern, single bedrooms with private ensuite bathrooms, offering residents comfort, privacy and a sense of independence. Our well-appointed lounge, dining and activity areas create a welcoming environment for relaxation and connection.

Bathed in natural light, our Care Community features sunny landscaped courtyards, with plenty of outdoor seating. Whether it's catching up with friends and family, reading a book, gardening or simply relaxing in nature, these serene spaces are popular all year-round.

Our hair and beauty salon offers a touch of luxury, with its 1950s-inspired design, ideal for a relaxing pamper.

Our caring and capable team are always on hand. We support you to develop connections and friendships with others who share similar interests, and friends and family are always welcome.

Glenroy Terrace Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to *bring joy to those we care for.*
