Care Community

Discover why this could be your best move yet

At Hamlyn Terrace Care Community, we encourage our residents to live with meaning and purpose. That's why understanding the big and the little things about how you like to live each day is important to us – so we can help you feel at home, have the right support, and live your best life in our care.

Nestled in the peaceful Central Coast suburb of Hamlyn Terrace, our Care Community offers a serene and welcoming environment, not far from beautiful Tuggerah Lake and the Wadalba Village Shops.

We offer an indoor-outdoor lifestyle that feels just like home. Step outside and enjoy the vibrant greenery surrounding our Care Community or have a cuppa with friends at our Grove Café. Our landscaped courtyards offer peaceful places to sit and enjoy the outdoors, be it gardening, getting some exercise or having barbeques in the warmer months.

Indoors, our cozy sitting areas provide space to pursue your interests and connect with friends and fellow residents. Our hairdressing salon is popular for a pamper, and our spacious dining and activity area is a welcoming place to enjoy our fresh cooked meals and enjoy time with others.

We support you to develop connections and friendships with others who share similar interests, and friends and family are always welcome.

Hamlyn Terrace Care Community is an environment where you're free to enjoy your interests, independently or with others, continue to learn and try new things, and participate – so you can enjoy your day, your way.

Our purpose is to bring joy to those we care for.
